Oberli Jacob, uncle of Patrick Bieri, 032 631 33 15, spoke at the domicile of Gruenig Herrmann. The family Bieri-Oberli worries that Bieri Patrick could do something against himself or could endanger others. He is very intelligent but over caught. He hangs on social assistance.

Bieri Patrick has made such remarks in a letter to his yesterday deceased father. Letter of 24.01.2012, addressed to his father at the Inselspital. Letter by staff at the mother Bieri-Oberli Anneroes, resident Oensingen Leuenalle 15, 032 636 26 38, handed over.

Patrick Bieri, 05 July 1968, would die, must, however still get something done. Supposedly threats over welfare authorities in facebook. Communication in facebook with cousin Oberli Daniela.

Negative control at the residence, the person concerned was not available. The patrol has recorded contacts with the indicator, which thinks that there is no danger in the house, but one should keep in mind the prospect.
